Housing Production Fund - Extremely Low Income (HPF-ELI)

HPF-Extremely Low Income Program (HPF-ELI)

Program Description

Application Requirements

Program Guidelines

IMPORTANT

When starting a new application for HPF-ELI funds, you will see three initial areas to fill out: **Project Name**, **Property Type**, and **Project Type**. Please fillin your property name/project name, choose “Multifamily” from the Property Type drop-down, and then choose either **New Build, Remodel or Operating Reserve** from the Project Type drop-down—either choice will bring you to the application and will not affect your application. Once filled out, click “Submit,” and you will be brought to a new page where you can choose the HPF-ELI application.
